Matthew Mark
Luke and John
In the beginning was the Word
And the Word was love.

Faith, hope and love
Faith, hope and love
And the greatest of these is love.

If faith can move mountains
but has not love
Faith that can move mountains
Is nothing without love.

Faith, hope and love
Faith, hope and love
And the greatest of these is love.

So these three remain,
Faith hope and love
Three gifts from Heaven above
And the greatest of these is love.

Faith, hope and love
Faith, hope and love
And the greatest of these is love.

Love is patient
Love is kind
Love the Lord your God
With all your heart, strength, soul and mind.
